Introduction:

The Career Guidance and Counseling Cell of the College is one of the core bodies of the college. It energizes the teachers' profession, promotes capacity building as well helps students take knowledge to their hearts. The degree of its success lies in the nature of works and the action plan taken by the cell under the supervision of the college authorities. The cell is highly valued for its extension activities.

The authorities of Simen chapari College had taken the initiative to carry out such extension works in the year 2016 so that students of this rural region be enriched and enlightened in the areas of knowledge and career building. Accordingly, Mr. Krishna Bhujel, the HOD of English was entrusted the work of the Coordinator of CG&CC, Simen Chapari College to pave the ways for mobilizing its tentacles through teachers and students cooperation. And Sir Bhujel, the Coordinator has been striving well to cope with the students' needs and the teachers' interest since January, 2017. As a result, some workshops, awareness programme, counseling and other observations have been organized by the Career Guidance Cell of the College. The summary of the extension activities are given below.

AIMS AND OBJECTIVES OF THE CAREER GUIDANCE AND COUNSELING CELL,
SIMEN CHAPARI COLLEGE

The aims and objects of the Career Guidance and Counseling Cell are as follows:

1. The Cell aims to familiarize its activities among the students through notification, banners posters etc. so that they may gain more knowledge other than the course contents.
2. The Guidance Cell keeps interest in drawing the attention of the students towards brightening their career through interactive learning.
3. It goads professionals to conduct workshop, seminars and awareness programmes.
4. Through this Cell, the college authorities aspire to engage teachers for professional development and extend knowledge among students.
5. It would try to improve the communication ability of the students.
6. The Cell strives to accelerate teaching learning activity.
7. The coordinator shall intend to organize workshops for improvement of English speaking/writing skills in commensurate with regional languages.
8. The CG&CC intends to work in educational sphere in collaboration with social groups.
9. The Counseling Cell keeps utmost care in coordinating with the college Academic Board for enhancement of the academic performance.
10. The college keeps an eye for all-round development of the educational environment at the college.

A Brief Note On The Activities Carried Out By The CG&CC, Simen Chapari College

Date: 24-02-2017

RECORD OF TEACHING IN SECONDARY LEVEL SCHOOL

04/05/2017

SOCIAL EXTENSION WORKOUTS

Krishna Bhujel, the Coordinator of Career Guidance & Counseling Cell and the hon'ble Principal, Dr. Sachin Doley have taken an extensive task in the year 2017 to teach in Secondary schools in the subject of English keeping in view of the students' ways of language learning skills. We have taken toils for developing their listening and speaking skills while learning the language. Major efforts have been given upon teaching the basics of English studies. After completion of due works at the college or as and when time allows us, we use to visit for teaching at schools like Somkong High School and some other nearby schools of Simen Chapari, including Kasturiba Gandhi Vidyalaya where much efforts have been done by the Principal for enriching the school children. We have also moved to the schools of Mazorbari and Bodosa L.P. School under NSS Unit of Simen Chapari College.
