

SimenChapari College

Institutional Distinctiveness

Since the day of the establishment of SimenChapari College, all the academic, co-curricular as well as extra-curricular activities have been carried on in commensurate with the motto, “**Voyage Towards Knowledge, Truth, Unity and Prosperity**”. Paying respect to the motto, the priority and thrust has been unanimously given for ‘Self -Reliance through Education’ as the institutional distinctiveness.

SimenChapari College has been established in the year 1994 with the noble efforts of the local people and the educationists. The institution has sacrificed the experience of visiting to neighbouring villages for motivating the local guardians to send their students to take higher education. Besides this, since the establishment of this institution, the college management extended admission facilities in credit or in instalment system, especially to the poor students till the date of its provincialization (w.e.f. 2013) as well as tuition fees were waived off for their education. At present, the institution has made availability of some modern facilities necessary for higher educational institutions like separate library building, indoor stadium, girls’ hostel, outdoor Open Air Playground, College Canteen and many other such student supporting facilities. Medium of instruction is in bi-lingual mode because majority of the students are from different Vernacular mediums. The institution organizes workshop and seminars to excel the teaching learning activities for all-round development of the students.

The greater purpose of SimenChapari College is to fulfill the dreams and desires of the students. The main attempt and focus since the birth of the institution is to create a suitable academic environment for educational values. With regard to value education, all the faculty members have been giving their untiring effort in providing knowledge of community services, unity and fraternity, physical and mental health, competition and cooperation, skills of personality development in matters of employable condition. With such objectives of orienting self-reliance in students the institution has been ceaselessly working since the initial stage in conjunction with the Bodies and Cells under the administration since long ago.

The NSS:

The National Service Scheme unit of SimenChapari College has been sincerely engaged in training the students for infusing the ideas of the benefits of team work through cooperation in social activities. Many interested students have been enrolled as volunteers for giving a helping hand in community services. Special camps, relief programme, tree plantation and other workshops are organized for providing knowledge and practical experience in the field of adjustment and unity.

Career Guidance & Counselling Cell:

Since 2016-2017, the Career Guidance & Counselling Cell of the college has been organizing

various awareness programmes on physical and mental health, personality development and entry into service, HIV/AIDS, Cyber Security, appearing in IAS Examination and workshops on the improvement of the English language and communication skills for teachers and

students. Through such programmes, students are also given the ideas of ethical and moral values.

English Literary Forum and Boro Students' Literary Society:

The contribution of English Literary Forum and Boro Students' Literary Society are equally enervating in organizing the body of the forum in every year with a purpose to infuse the knowledge of sincerity and devotion to work for the people and also to bolster up the potentialities of the students in the areas of literature and culture. The Boro Students' Literary Society is also able to publish annual magazine 'Geremsa' and convene 'Poets' Meet' on the days of convenience, sometime, in support with English Department. Both the departments publish the departmental wall magazines through these forums with the objective of bringing about the inherent talents among students in different genres of literature.

Political Science students' Study Circle:

The political science department of the college has constituted a Study Circle with the objective of making students aware of the ideas of equality and fraternity, liberty and human rights, democratic sentiment and republicanism as well as the societal norms so that they may be the successful citizens in the future in becoming a part for contributing to the national development. Further, it aims to teach students to be a social being amidst the political scenario.

Educare Association:

The faculty members of education department have been working hard for inculcating the values of education through organization of various practical and theoretical activities for students. They also conduct programmes of motivational speech and meditation. Students are also taught the teachings of great Mahatmas to encourage them with the ideals of sacrifice and success

Yoga Cell and Vivekananda Cell:

Through the performance of activities under Yoga Cell and Vivekananda Cell, SimenChapari College has reflected the holistic education by infusing the tenets of spirituality and moral vivacity. Both the cells have been organizing various programmes of moral, ethical, devotional, spiritual and physical values. Students are benefited to a certain extent. Motivational programmes are also occasionally held among teachers and students.

Women Cell:

In coordination with the Women Cell, the institution has targeted to achieve its principle for providing equality and opportunity in education along with the thoughts of gender equality and gender sensitization. Along with this, we take much care for eradicating any kind of underestimation against women section of the society. This is our priority to give equal treatment to both the sexes.

Students' Union Body:

Every year, the College Students' Union Body is formed through election/ selection process among students to imbibe the knowledge of leadership qualities, team spirit, social welfare and sacrifice. They are also made aware of how the institution has been functional in fulfilling the hopes and aspirations of the learners with an equal justice.

Alumni Association:

The Alumni Association is formed under the SimenChapari College in 2016 with a purpose to have a supporting network of former graduates in the elevation of the status of the college. It brings closer the ideas of fraternity and cooperation. The passed out students always remain in memory as assets to the college and they stay connected to the institution in different times and climes. Further, the institution hopes that the alumni would always be the inspiring individuals for the upcoming generations.
